

Why do we do sports?

I would prefer
to face a new
challenge
every day.

I enjoy being
active with
other people.

I would love
winning and
showing that I
am the best.

I am fond of
the idea that
sports are
good for the
mind too.

I wouldn't like
to be boring or
have a
monotonous
life.

I can't stand
being lazy and
unhelathy.

WHAT MAKES THE OLYMPIC GAMES SO IMPORTANT?

means developments for the host city

international conflicts don't matter

it celebrates diversity

new records are born

different countries come together

people enjoy watching sports

it's a big business

there are no differences between men & women, the young & the old, the poor & the rich or minorities & majorities

shows how well the host country deals with money

countries can compete with each other
